AUID ASSOCIATION OF UNIVERSITY INTERIOR DESIGNERS

Thank you for your help with the annual AUID Design Competition, we greatly appreciate your time! The winning projects will be announced at the AUID awards banquet dinner. We hope to see you there!

Framework for submissions and details for judges:

1. Each entry has a maximum of four pages to highlight their project, project names are noted in the footer.
2. Each entry will note the budget, project description and what specific tasks the designer was responsible for.
3. Each entry may also have a maximum of eight photos and four floor plans, if applicable, to highlight the project.
4. Below is the voting ballot for the competition, noting the projects by category.
5. Please review each question and rank each project. The total points possible vary and are noted under the question. Rate it from 1-10 or 1-5 depending on the question, with 1 being the lowest possible score. The judges scores will be totaled; the projects with the highest total scores will be awarded First, Second and Third place.

Small (Up to 5,000 sqft.)	**Success in accomplishing design intent of the project (10 points)**	**Success of using the budget to meet the overall project scope (10 points)**	**Innovation in Design i.e. Sustainability, DEI, ADA, Technology, Overcoming Challenges (10 points)**	**How much of the scope was contributed by designer/team (5 points)**	**Overall impression of the project (5 points)**	**Total**	**Judges Notes**
